N.G Acharya D.K Marathe College
PERCENTAGE = 64%

HSC

2024

**BTech 1st
Year**

Shah Anchor Kuttchi Engineering College
SEM 1 -9.33 CGPA
SEM 2-9.45CGPA

Vision

My vision is to explore and innovate at the intersection of autonomous systems, AI integration, and human-robot interaction to create intelligent, adaptable, and ethical robotic solutions that can transform industries, improve quality of life, and address global challenges. I aim to contribute to the development of robots that are not only functional but capable of seamlessly integrating into human environments and providing tangible benefits in fields such as healthcare, education, environmental sustainability, and space exploration

Extra-Activities
